### **Bank of America Corporate Philanthropy**

Building on a long-standing tradition of investing in the communities it serves, Bank of America will embark in 2009 on a new, ten-year goal to donate \$2 billion to nonprofit organizations engaged in improving the health and vitality of their neighborhoods. Funded by Bank of America, the Bank of America Charitable Foundation gave more than \$200 million in 2007, making the bank the most generous financial institution in the world and the second largest donor of all U.S. corporations in cash contributions. Bank of America approaches giving through a national strategy called "neighborhood excellence" under which it works with local leaders to identify and meet the most pressing needs of individual communities. Through Team Bank of America, bank associate volunteers contributed more than 650,000 hours in 2007 to enhance the quality of life in their communities nationwide.
