The DIA's Weekly Crossword features clues that are answered by picking out details from a work of art from our collection. To solve this week's puzzle, you'll have to look closely at *Ancestral Screen* by an unknown Ijo artist.
ACROSS

1 The slates of the screen are visibly lashed together with a braided material in this many lines.
2 Seven-pointed these circle the central figure’s head.
3 Put four of these quadrilaterals together and you get a square frame.
4 The shape teeth are carved in.
8 The central figure’s _______ (including the answer to 7 Down) connects him with the Alagba, an important traditional masquerade.

DOWN

1 From center to top, five of these appear. Some with a body, some with not.
2 Concentric these surround the screen.
3 Put four of these quadrilaterals together and you get a square frame.
4 The item at the very *top* of the main figure’s head resembles what kind of flat-crowned head covering?
9 A center of black, rimmed with white. I come in a pair and pierce, I might.
