Student Services and Curriculum Development

DIA staff consult with school teachers prior to field trips to ensure students continue to have meaningful, educational experiences that connect to classroom learning.

This year the DIA piloted two new STEAM adventures, which were available in the fall of 2018. DIA gallery teachers continued to expand their repertoire of hands-on engagement strategies for all guided experiences.

In the 2017-18 school year, the DIA initiated a Teacher Advisory Group. Teachers from Macomb, Oakland and Wayne counties met quarterly to advise DIA staff and provide input on professional development workshops and online curriculum resources to support student learning.

The DIA hosted “Homeschool Afternoons” at the museum in February, June and November. Activities included art-making, “Drawing in the Galleries” and guided tours.

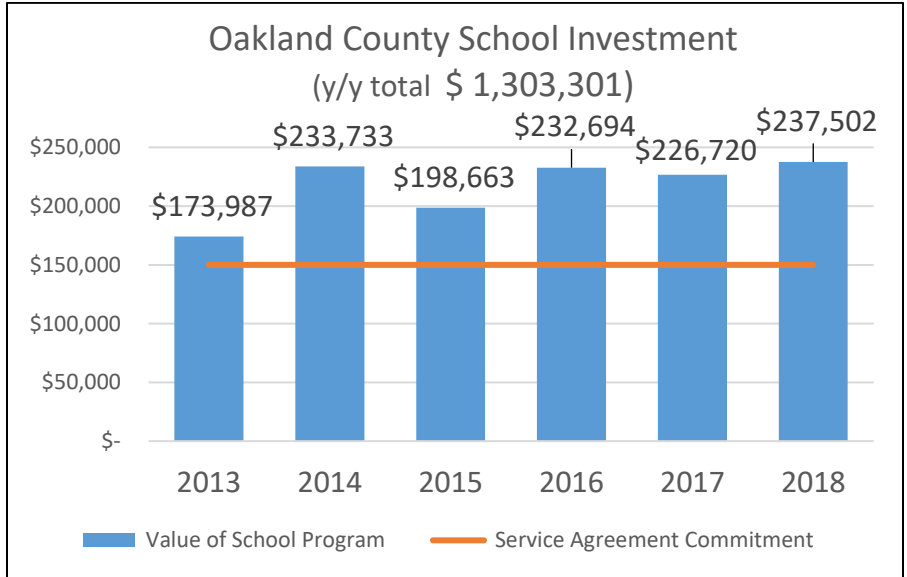

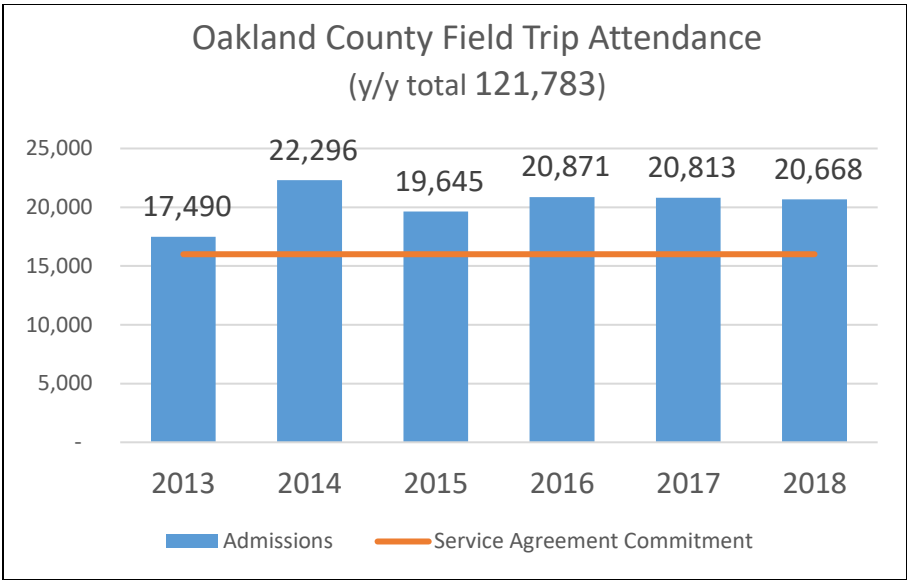

Free Student Field Trips with Bus Transportation

The DIA provides free field trips, free transportation and access to K-12 students across Metro Detroit each year.

In 2018, 20,668 Oakland County residents participated in no-cost school field trips to the DIA. Complimentary transportation was provided to all groups.

Each free, five-week session is for people living with Alzheimer's disease and other dementias and their care partners. This is a unique opportunity for individuals in the early and mid-stages of the disease to create meaningful experiences through art. This program aims to provide cognitive stimulation, encourage socialization, help reduce stress and anxiety, enrich relationships, and promote self-expression.

The DIA hosted the play and each performance was followed by an extensive discussion with students and actors about the history and relevance of Frank's written accounts.

Oakland Community College – Magic of Light and Shadow

The DIA's partnership with Oakland Community College provided an opportunity for residents to experience a traditional Taiwanese shadow puppetry performance.

The performance featured three different shadow plays, "The Sandbag Trilogy", "The Mountain of Flames" and "The Proud Return" all performed by Yung Shing Le Shadow Puppet Troupe of Taiwan. Audience members had the opportunity to meet the artists, see the complex puppets up-close and even try manipulating the puppets themselves.

Deaf C.A.N. & OUCares

The DIA collaborated with Deaf Community Advocacy Network and Oakland University Center for Autism Outreach Services to begin the creation of experiences and resources for visitors who are hearing impaired visitors or with autism spectrum disorders.

These organizations will continue to assist the DIA in facilitating focus groups, interviews, and surveys to inform the creation of in-gallery learning resources, guided experiences, and general building accessibility including front line interaction and general access to the building and existing programs.

Scholastic Art Awards

The Detroit Film Theatre was the site for the award ceremony for the 2018 Southeastern Michigan Region of the Scholastic Art and Writing Awards competition.
